My Dear Chapman

You know ^{us} having seen my son
just before he sailed for Italy last Spring.
prompts me to enclose this clipping - which
covers his latest efforts to date -

He is right on line now - and with
Greek - Latin - Spanish - French and Italian at
his command - we expect to see him
far right ahead -

Lamented my short visit at Phila. - very
much - especially the evening at your home
and meeting your good wife, and fine
family - but had to hasten back to N.Y. in
real estate business which, tho not signed up
yet - yet an agreement has been reached -
where a 15 Million N.Y. Corporation - is to take
over ^{not the estate} my own Warren ship in Washington St - and
build a Bldg - on a 25 yr lease -
With best regards from M. A. Self to you and yours -

Yours faithfully,
Sam. Warren
